REORDERING: THANK YOU!

Huge thanks to the 50 or so people who made it down for the reordering consultation on Monday. We're collating all the thoughts and feedback from the night and will re-look at the plans with it all in mind!

Where possible, we will also respond to any questions in due course.

A selection of the displays from the evening are now in the back corner of St Mark's for anyone to view.

This includes inside plans, outside plans, toilets, servery plans and chairs - let us know your favourite!

EASTER KNITTING

Once again, our friends at CaBiC Anna Chaplaincy are asking for help! This year, they are asking us to knit or crochet crosses for them to distribute in care homes this Easter. Please [CLICK HERE](#) for the pattern.

The request comes with their thanks to all those who contributed knitted stockings for the Christmas craft project at the end of last year. They received enough knitted stockings to be able to fill each one with a Heroes chocolate and offer as a gift for every care home resident in Cheltenham & Bishop's Cleeve, as well as for the care home staff who work tirelessly, day and night, to look after them.

MONGOLIA FROZEN ICE RUN!

Gordon Done (St Mark's!) is raising money for the charity *Children with Cancer*.

The challenge is to run 100 miles across a frozen lake in Mongolia over 4 days. Temperatures average -17 in the day and -30 at night so quite the challenge!!

Up against the cold, wolves, ice spikes and a sacred lake, he's not got it easy!

To read more about the challenge and to sponsor him on this run, please [CLICK HERE!](#)
